TRAVEL INSURANCE

Please ensure you have taken out suitable travel insurance for the location, date, and nature of the challenge, this is mandatory for all participants. You are welcome to source your own insurance or book through our supplier here: <https://www.campbellirvinedirect.com/endeavoursadventures/>.

CURRENCY AND MONEY

The unit of currency in Jordan is Jordanian Dinar (JOD). We recommend bringing £200-£250 worth of currency.

To consider would be:

- A tip for the guides and porters during the trek between £30-60 worth of JOD each
- Cash for souvenirs
- Emergency cash
- Money for group dinner and drinks on the last night
- Money for any meals not included in the itinerary and for coffee / snacks you may want on free days
- JOD / GBP to buy food during the airport journeys there and back

If you want to bring a card, you could also bring your Monzo or Revolut card as extra cash. Cash machines are available throughout Amman and in other major towns and cities. ATMs are less widely available in rural areas.

DRESS CODE

Jordan is a Muslim country, so dress codes do apply in order to respect the faith of Jordanian people.

Whether you are in Amman or trekking the desert, men should refrain from wearing shorts as it is seen as disrespectful. Even in warm weather, light linen or cotton trousers can keep you feeling cool and comfortable, so just make sure to pack trousers with materials that suit the weather.

Women should cover as much skin as possible to respect the Jordanian culture. Female travellers should wear loose clothing which covers the arms, legs, chest, and the nape of the neck. Avoid wearing T-shirts, shorts, and leggings as this can be regarded as sexual clothing. It is also recommended to tie your hair back at all times when in public. It may be worth packing an extra scarf or two to cover up your hair if needed.

In Jordan, tops that do not cover the shoulders are classed as underwear. This rule applies to both men and women. So, ensure you always wear shirts and t-shirts that cover the top of the arms. Being topless in public is completely unacceptable no matter how hot the weather is.

Following this dress code shows that you care about Jordanian culture and local people will respect you for doing so. Jordanian people are friendly and as long as you follow the dress codes, you will feel very welcome.

EXTRA NOTES

In the rare possibility that your large rucksack doesn't arrive at your destination with you on time, please can you ensure that you pack enough clothing and items for a couple of days in your day bag.

SUSTAINABILITY

Endeavours Adventures is passionate about being a leading provider of sustainable charity challenges & adventures that are socially and environmentally responsible.

Due to this, here are some companies that we recommend shopping from if you need to buy new outdoor gear for your challenge:

- **Patagonia** = <https://eu.patagonia.com/gb/en/home/>
- **Vaude** = <https://www.vaude.com/en-GB/>
- **Alpkit** = <https://alpkit.com/>
- **Páramo** = <https://www.paramo-clothing.com/en-gb/>

When buying new products, try to avoid buying items with perfluorochemicals (PFCs).

However, the most ethical outdoor gear is the kit that you already own. Or someone else does. The biggest thing the team with Endeavours Adventures would

recommend is to either borrow someone else's outdoor gear, or to buy second-hand items in a charity shop or on an online platform like Depop.

If you are based in London, we also recommend looking at the 'Library of Things' – a business where you can rent useful things including outdoor gear from local spaces. You can have a look at what they offer here: [Library of Things | Borrow useful Things for your home, projects and adventures](#).
