LARGE MINORITY

Who are we?

Adventure Travel: The title alone conjures up feelings of excitement and thrill. It can be best described as being pushed into the unknown and out of one's comfort zone. Large Minority are one the largest names in the Adventure Travel business and exist to provide:

**‘THE WORLD’S GREATEST ADVENTURE,
BAR NONE.’**

Founded in 2009, the company has turned out over 27 international challenges. From navigating tuk-tuks across Sri Lanka, India and Cambodia, racing sail boats in the Philippines to exploring the Amazon Rainforest, these are unforgettable experiences that participants couldn't replicate on their own. It's what makes Adventure Travel one of the fastest growing sectors in the tourism industry and why it's a perfect fit for that 'unreal journey' you were searching for.

These journeys are geared around cultural immersion, challenging scenarios and responsible travel. Resulting in genuine connections and providing authentic life-changing memories for adventure enthusiasts. We're creative purveyors of rebellious, forward-thinking travel experiences. That's it.

PAKISTAN TRIP

What's in store?

PAKISTAN TRIP IS ON!

Pakistan. You've probably heard of it, and it's fair to say that it hasn't really been somewhere that has existed in most travellers' minds as a place to go. But we're here to tell you: it is most definitely a place to go. And it is most definitely best explored by tuk-tuk.

Don't believe us? Pop over to Google and type in 'Pakistan nature'. See what comes up. From Islamabad to Hunza, and Peshawar to Gilgit – we are certain that your eyeballs are not ready for this. This place isn't like all those other places you've been. It's wilder, less-trampled and, objectively speaking, the perfect setting for the trip of a lifetime. Did we mention the food? You've got a blend of Indian and Asian influences, underpinned by stacks of oil and spices. Hot kebabs and rice. Aromatic plates and bowls of veggies. Turmeric, cardamom, cinnamon, nutmeg, cloves, garam masala. More flavour for your tuk-tuk behaviour.

FREQUENTLY ASKED questions

HOW MANY PEOPLE PER TEAM?

A team is made up of either 2 or 3 people. Apparently there is no 'I' in it. You get one tuk tuk per team.

CAN I BOOK MY OWN ACCOMODATION?

Unfortunately, no. Only because each leg will start from the hotel / over-night stop and the idea is to share our challenging travel experience together. Most importantly you wouldn't want to miss out on each night's social gatherings...

WHAT SHOULD I BRING ALONG?

Probably not your ski jacket. Or that set of golf clubs. Pakistan has a tropical climate, so pack accordingly. The nights can get a little chilly, depending on the time of year, so a windbreaker jacket and a few light layers wouldn't go amiss. Other than that, bring all your travel essentials, some good quality sunscreen and anything you think will make the long driving days more fun (we recommend honing your I-Spy skills beforehand).

We will also be sending you a what to pack kit list.

HOW ON EARTH DO YOU DRIVE A TUK TUK?

Don't stress, they're very friendly. If you can ride a scooter, you can ride a tuk tuk. Besides, on the first day everyone gets mandatory tuk tuk driving instruction and safety training. You'll have plenty of practice before hitting the open road.

HOW FAST DO TUK TUKS GO?

Whoa there, speed racer. These bad boys can't really get over 40kph. The average speed should be around 30kph. Fast enough to get the blood racing, but not so fast you hit a cow. That's the sweet spot.

"I loved the Lanka Challenge! It was absolutely exhilarating! Pushing me to be brave, patient, determined and creative all in an unfamiliar environment. It totally immersed me into the culture & society of another country, all in a way a normal holiday could not provide. I can wholeheartedly say that this ticks all the boxes; exciting travel adventures, a sense of achieving something unique, seeing different walks of life from a new perspective, all with the camaraderie of completing it as part of a large and diverse group."

A very unique adventure which not only covers the landscaped beauty of Sri Lanka but also respectfully connects you with the local communities and ancient traditions. Any adventure (worldwide) wouldn't be so successful without the experienced team and support staff behind the scenes everyday. Highly recommend!"
