

Woodland Ways Wildfood Preparation and Cooking Weekend

Kit List

To attend the Woodland Ways Wildfood Preparation and Cooking Weekend you will not need to purchase expensive kit. Below is a list of all essential items that must be bought with you. Please feel free to bring any other items for your comfort.

Clothing

Your clothing should be suitable for the season, during cold months multiple thin layers are better than one thick layer. You should also bring a spare set to get changed into. Please wear natural colours to improve your chances of spotting wildlife.

Waterproof jacket & trousers

Full finger gloves

Woolly hat

Please also bring a **sun hat** during spring, summer and autumn courses.

Sensible footwear

These should be warm, waterproof and provide ankle support. 3 Season walking boots are ideal during the autumn, winter, and spring. 2 Season are suitable through the summer.

Tent/Bivvi Bag or Basha

Sleeping bag

We would recommend a 3-season sleeping bag throughout the spring, summer and autumn, and a 4-season sleeping bag during the winter.

Roll matt/insulation matt

Drinking water bottle

A minimum 1 litre water bottle, this can be an empty squash bottle.

Knife, fork, spoon, bowl & mug

These should be of a sturdy construction e.g. metal or plastic.

Cleaning equipment

A household sponge and biodegradable multi purpose soap are ideal. In line with our environmental policy we would ask you not to bring soap that will have a detrimental effect on the environment.

Torch & spare batteries

A head torch is ideal, as it will leave your hands free to practice your bushcraft, but a head torch is not essential, any form of torch will suffice.

Personal hygiene kit

This should include as minimum toothpaste, toothbrush, anti-bacterial wipes, and toilet paper.

Pocket notebook & pencil with eraser

Personal first aid kit

This should include plasters, anti bacterial wipes, insect repellent, UV protection, and a small bandage.

Personal medication (e.g. insulin, ventolin etc).

Carrier Bags x2

Tea/coffee/dried milk/sugar

Snacks

Rucksack

Please bring all of your kit contained in one rucksack, for guidance a 55-75 litre rucksack should suffice. *Please note that there is an approximate 15-minute walk from the car to the woodland.*

Woodland Ways will provide all other equipment, food and materials.
