SANTORINI:

3-7 SEPTEMBER 2021

Welcome to our guide for Supa Dupa Fly x Santorini! Please have a good read & pass this onto your friends if you booked on their behalf. If you have any further questions, please email us at santorini@supadupaflylove.com - get ready to have what could quite possibly be the best 4 days of your life...

Due to the current restrictions that have been put in place by the Greek Authorities, the festival will feel slightly different this year. You'll still be able to hear all your fav tunes from the best DJ's, experience epic venues, incredible food & drinks, vibe with your crew in the sunshine, drink tequila & live your very best life. However due to the restrictions, all guests must remain at their table (or on their lounge) for the duration of the events. There is flexibility on this, as you will know if you attended last years' event!

TRAVELLING TO GREECE

All guests must complete a Passenger Locator Form online at any time up until 24 hrs before entering and leaving the island, providing detailed information on their point of departure, the duration of previous stays in other countries, and the address of their stay while in Santorini. You will then be sent a QR code which will be scanned when you arrive in Santorini, if you do not complete the form you will not be allowed to depart from the UK. To complete the form, please click the link [here](#). Around 10% of guests are being randomly tested for COVID-19 at Santorini Airport, please be aware if you test positive, you will be required to quarantine in a Greek Government hotel for 14 days. Arrivals from the UK must provide one of the following:

- proof of a private negative COVID-19 PCR test, undertaken within the 72-hour period before arrival into Greece;
- proof of a private negative COVID-19 rapid antigen test from an authorized laboratory, undertaken within the 48-hour period before the scheduled flight;
- proof of two COVID-19 vaccinations completed at least 14 days before travel.
- Guests will also need to take a private PCR / Antigen test 48 hours before returning to the UK. Anyone testing positive will have to quarantine in a Greek Government hotel for 14 days.

Please note that all guidelines are subject to change, so please check online for up to date guidelines.

LATERAL FLOW TESTING ON DAY 1 (ALL GUESTS)

- You need to obtain a box of NHS Lateral Flow Tests online or from a local pharmacy prior to traveling to Greece <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests> these are free.
- You must take the test before you collect your wristband (same day).
- Once you have taken the test, wait for the result and then submit it to the NHS website <https://www.gov.uk/report-covid19-result> / scan barcode on the test. It takes 5 minutes.
- You will receive a confirmation email or text from the NHS with your result.
- Bring your NHS COVID-19 confirmation text or email AND a photograph of yourself holding the developed test strip next to your face. Please ensure that your name, date and result are shown on the NHS COVID -19 confirmation text or email.
- You will need to show all of above when collecting your wristband, even if you're double jabbed.
- Anyone not complying, or being rude or aggressive to our staff will be denied entry to the festival AND reported to the Greek police.
- For guests not from the UK, you can get rapid covid tests from any pharmacy on the Island & pcr tests from the Santorini Central Clinic in Fira & the Medlife Clinic in Messaria without booking an appointment.
- Anyone testing positive will not be allowed to attend the festival & will need to follow the Greek Health Authority guidelines.
- Anyone attempting to falsify results will be barred from the festival & our events for life AND reported to the Greek police.

SAFETY MEASURES

Be assured that Supa Dupa Fly and all the venues we work with are following all the protocols as set out by the Greece Public Health Authority. Your safety is our top priority so this year we've put some extra measures in place to keep everyone as comfortable and safe as we possibly can.

All venues will be predominantly outdoors (all of them usually are anyway) and have been carefully redesigned with an optional range of socially distanced tables so that you and your crew can feel safe and have fun comfortably in your own space whilst enjoying the parties.

- Any beach beds and tables will be kept at 1 meter distance at all venues.
- At present, in Greece it is mandatory to wear a mask in all indoor public places. There are exceptions which include eating & drinking and in certain spaces like the beach for example. As all of our parties are private and the majority are at the beach or beach bars, these exceptions will also apply. However, you will have to wear a mask on the coaches.
- Hand sanitizer will be available at the entry and throughout each venue.
- Please make sure you frequently wash your hands – for your own protection as well as others.
- All venues will be operating at a reduced capacity, in line with government guidelines in Greece.
- All coaches to and from the venues will be operating at 80% capacity, and will be sanitized after each trip. Hand sanitizer will also be available before you board. Masks are compulsory. Anyone not wearing one will not be allowed to travel.

WRISTBAND COLLECTION

You will need to collect your festival wristbands from Enigma, Thira Town (next door to McDonalds). Collection will be from 10pm at the first event on Friday 3rd Sept 2021. This is also where we can answer any questions you may have too. Please bring your ticket (e-ticket or physical), your negative lateral flow test result and photo ID to claim your wristband. Anyone failing to do this, will be denied entry to the festival. You can also collect a wristband for someone else as long as they have contacted us in advance to let us know and provided us with proof of their negative lateral flow test.

If you are unable to collect your wristband on the first night, you will also be able to collect your wristband at the venue the following day. Please note that you will not receive a wristband if you have purchased an individual party ticket, so please bring your ticket (e-ticket or physical) and photo ID on arrival.

EVENT SCHEDULE

Food will be available to purchase at all venues apart from Enigma on the first night.

Get ready for sizzling parties on the edge of volcanos, pool parties & beach parties some of Europe's most breath-taking locations... Get hyped with our mixes via MIXCLOUD. Please note that event timings may be subject to change, please follow us on Instagram @supadupaflysantorini for any last-minute updates.

COACHES TO VENUES

For those of you who have purchased the venue shuttle coach add on (highly recommended), we'll be providing them to & from Thira Town to the Saturday & Monday venues. Coaches will pick up from the coach point in Thira (Fira) HERE (opposite medical centre) & will be clearly signed. The event on Friday & Sunday night at Enigma is in Thira town, so coaches won't be necessary. Purchase your coach pass here.

Please be at the coach pick up point at 2.30pm to get to Saturday's event & 1.30pm to get to Monday's. We can't wait for latecomers. Return coaches will run from 10pm at each venue, every half hour.

There are very few taxi's in Santorini, about 40 on the whole Island. It's not possible to hail cabs on the street & all need to be booked well in advance. Uber does not operate in Santorini. Therefore, we need to stress how important it is to be at the coach pick up points on time, as they cannot leave until they're 80% full.

All coaches will be operated by NOTOS Travel & are fully insured.

ACTIVITIES IN SANTORINI

For everyone who wishes to explore the island, it takes only 45 minutes to travel from one end of the island to the other by car or quad.

Watch the sunset from Oia

Oia is at the very top of Santorini, where the sunset is famous for attracting huge crowds. Although this year there won't be any! Get there at roughly 7pm to ensure you get a good spot.

Visit a winery

Santorini produces a lot of very good wine. Many of the wineries also have incredible views of the sunset over the caldera, and include local cheeses in the tastings. We suggest Signals in Oia, Canava Roussos in Mesa Gonia, Estate Argyros in Megalochori, Santo Wines Winery (here you can enjoy the beautiful sunset).

Sailing Tours

Most of these last all day & include food & drinks. We suggest Marios at www.barbarossasailing.com - mention us & Marios may give you a discount!

Beaches

Perissa Beach & Perivolos Beach are a 30 min bus journey or a 20 min drive from Fira. Vlychada Beach below Theros Wave bar & is about a 20 minute drive from Fira. Kamari beach is 15 minutes away.

WEATHER

The average daytime temperature is around 25-27 degrees mid-September with temperatures dropping off later into the evening (bring a light jacket!).

SAFETY

Santorini is a safe and friendly place but please take care of yourself & your friends as you would back home.

BUSES

Tel. +30 22860 25404. The central bus station is at the Square of Thira (Fira). You can find itineraries and time schedules at ktel-santorini.gr

MEDICAL SERVICES

In case of emergency, please call (+30 22863 60300-4).

TRAVEL INSURANCE

If you live in the UK you can apply for a UK Global Health Insurance Card (GHIC), which is free of charge. If you already have a UK European Health Insurance Card (EHIC), this will remain valid for use in the EU until it expires. Both cards give you access to state provided healthcare while staying in an EU country for things like emergency treatment and visits to A&E (hopefully you won't need to use it!)

TIME ZONE

Santorini runs two hours ahead of time in the UK. (Central European Time Zone).

TAXI'S

Tel. +30 22860 22555. The taxi stand is in Thira (Fira), at Theotokopoulos Square next to the bus station. They are very limited (less than 40 on the whole island!) so it's advisable to only take one if you really need to. Uber does not operate in Santorini currently. Although the fare for each itinerary is determined by an official price list, it is advisable to establish it before you get into the taxi.

VALUABLES

We recommend not bringing anything too valuable with you and keep personal belongings locked away at all times just to be safe. Some of the hotels will have safes in the rooms to store valuables.

DRIVING

We advise you don't drive at night in Santorini. The roads don't have traffic lights and some Greek drivers are not very 'sensible'!
