# LARGE MINORITY

## Who are we?

Adventure Travel: The title alone conjures up feelings of excitement and thrill. It can be best described as being pushed into the unknown and out of one's comfort zone. Large Minority are one the largest names in the Adventure Travel business and exist to provide:

**‘THE WORLD’S GREATEST ADVENTURE,  
BAR NONE.’**

Founded in 2009, the company has turned out over 27 international challenges. From navigating tuk-tuks across Sri Lanka, India and Cambodia, racing sail boats in the Philippines to exploring the Amazon Rainforest, these are unforgettable experiences that participants couldn't replicate on their own. It's what makes Adventure Travel one of the fastest growing sectors in the tourism industry and why it's a perfect fit for that 'unreal journey' you were searching for.

These journeys are geared around cultural immersion, challenging scenarios and responsible travel. Resulting in genuine connections and providing authentic life-changing memories for adventure enthusiasts. We're creative purveyors of rebellious, forward-thinking travel experiences. That's it.

# OUR ITALY TRIP

## What's in store?

### ITALY TRIP IS ON!

Welcome to our Italy Tuk-Tuk Adventure! Plenty of people have seen Italy. But how many people have seen Italy from behind the wheel of a traditional Italian Piaggio Ape (which, as far as we can tell, is a tuk-tuk with an Italian accent)? We don't know for sure, but we reckon it's somewhere between 'basically a few' and 'maybe not that many people'. The tuk-tuk you will be driving on his great Italian adventure will be a classic Piaggio Ape, as you might imagine, being Italian, its naturally better looking and just that tiny bit sexier than all other tuk-tuks. Are you with us so far? Good.

Anyway, on this week long Italian tuk-tuk adventure – during which you'll drive around as part of a team or 2/3 and complete challenges to accrue points – through northern Italy, you'll channel your inner alter ego "I am a participant on Race Across the world or Amazing race" while being dumbfounded by rugged Italian beauty and spending very large chunks of time getting wonderfully lost down idyllic country lanes.

## FREQUENTLY ASKED questions

### HOW MANY PEOPLE PER TEAM?

A team is made up of either 2 or 3 people. Apparently there is no 'I' in it. You get one tuk tuk per team.

### WHAT SHOULD I BRING ALONG?

Everything you would usually take on a holiday to Italy. Hat, shades and maybe sunscreen? Worry not, we will send you a more serious list of things we suggest you bring well before you leave.

### HOW ON EARTH DO YOU DRIVE A TUK TUK?

Don't stress, they're very friendly. If you can ride a scooter, you can ride a tuk tuk. Besides, on the first day everyone gets mandatory tuk tuk driving instruction and safety training. You'll have plenty of practice before hitting the open road.

### CAN I BOOK MY OWN ACCOMODATION?

Unfortunately, no. Only because each leg will start from the hotel / over-night stop and the idea is to share our challenging travel experience together. Most importantly you wouldn't want to miss out on each night's social gatherings...

### HOW ABOUT LUGGAGE?

Don't worry, you don't have to strap suitcases to the roof of your tuk-tuk. We've got a luggage truck that will follow us around. Each morning you'll load it up with your heavy bags, and each night we'll hand it back at our hotel. Job done. Simples.

### HOW FAST DO TUK TUKS GO?

Whoa there, speed racer. These bad boys can't really get over 40kph. The average speed should be around 30kph. Fast enough to get the blood racing, but not so fast you hit a cow. That's the sweet spot.
