# OUR ITALY ADVENTURE

## What's in store?

### ITALY ADVENTURE IS ON!

Welcome to our Italy Tuk-Tuk Adventure! Plenty of people have seen Italy. But how many people have seen Italy from behind the wheel of a traditional Italian Piaggio Ape (which, as far as we can tell, is a Tuk-Tuk with an Italian accent)? We don't know for sure, but we reckon it's somewhere between 'basically a few' and 'maybe not that many people'. The Tuk-Tuk you will be driving on this great Italian adventure will be a classic Piaggio Ape, as you might imagine, being Italian, it's naturally better looking and just that tiny bit sexier than all other Tuk-Tuks. Are you with us so far? Good.

Anyway, on this week long Italian Tuk-Tuk adventure – during which you'll drive around as part of a team of 2 or 3 people and complete challenges to accrue points – through northern Italy, you'll channel your inner alter ego "I am a participant on Race Across the World or The Amazing Race" while being dumbfounded by rugged Italian beauty and spending very large chunks of time getting wonderfully lost down idyllic country lanes.

## FREQUENTLY ASKED questions

### HOW MANY PEOPLE PER TEAM?

A team is made up of either 2 or 3 people. Apparently there is no 'I' in it. You get one Tuk-Tuk per team.

### WHAT SHOULD I BRING ALONG?

Everything you would usually take on a holiday to Italy. Hat, shades and maybe sunscreen?

Worry not, we will send you a more serious list of things we suggest you bring well before you leave.

### HOW ON EARTH DO YOU DRIVE A TUK-TUK?

Don't stress, they're very Friendly. If you can ride a scooter, you can drive a Tuk-Tuk. Besides, on the first day everyone gets mandatory Tuk-Tuk driving instruction and safety training. You'll have plenty of practice before hitting the open road.

### CAN I BOOK MY OWN ACCOMODATION?

Unfortunately, no. Only because each leg will start from the hotel / overnight stop and the idea is to share our challenging travel experience together. Most importantly you wouldn't want to miss out on each night's social gatherings...

### HOW ABOUT LUGGAGE?

Don't worry, you don't have to strap suitcases to the roof of your Tuk-Tuk. We've got a luggage truck that will follow us around. Each morning you'll load it up with your heavy bags, and each night we'll hand it back at our hotel. Job done. Simples.

### HOW FAST DO TUK-TUKS GO?

Whoa there, speed racer. These bad boys can't really get over 40 kph. The average speed should be around 30 kph. Fast enough to get the blood racing, but not so fast you hit a cow. That's the sweet spot.

# SEE WHAT EVERYONE has been saying...

"As a Tuk-Tuk 'virgin' but an Italy 'veteran' I was really excited to join the inaugural Italy Tuk-Tuk Adventure....and I was definitely not disappointed. From magnificent countryside to the mayhem of Milan, through the Barolo wine country and along the Mediterranean coast we had a blast! Fantastic hotels and wonderful food and wine (and the company was pretty good, too) we spent 8 days in this beautiful country amusing the locals and impressing even the most hardened Italian bikers in our 7 horsepower steeds. I'll definitely be back..."

**MARK**  
**TEAM MARK**

"What can I say...the adventure of a lifetime! Personal growth, adventure, total cultural immersion and beautiful surroundings! An amazing way to attain some perspective on a destination, its culture and its people."

**JESSICA RADER**  
**TEAM PORQUE NO?**

"Went on the inaugural Italy adventure and it was great. A previous customer from Sri Lanka and Cambodia so doing a convenient week long European trip was perfect for maximal holiday time. This trip was a chance to enjoy Western niceties whilst still having the fun of the Tuk-Tuks. The locals loved them, weather was great, as were the views and sites too. Take the plunge for something different!"

**DAVE**  
**TEAM CAN'T**  
**CATCH THIS**

"The guys have this trip down to a fine art. We were far enough off the beaten track to feel this was a proper adventure but also supported just the right amount. The places we saw and the people that we met really made this an experience I will never forget. I felt that we got to see Sri Lanka like few people do. Real, honest and authentic!"

**NICHOLAS TYRAL**  
**TEAM TNT**

"A very unique adventure which not only covers the landscaped beauty of Sri Lanka but also respectfully connects you with the local communities and ancient traditions. Any adventure (worldwide) wouldn't be so successful without the experienced team and support staff behind the scenes everyday. Highly recommend!"

**LUKE HARRISON**  
**TEAM THE AMIGOS**

"The most authentic adventure I have been on in my life as a traveller. You go places few have ventured! I definitely recommend this to anyone who wants a challenge and craves a life of trying new things. There were many firsts for us on this trip. One of my most memorable life experiences! The perfect balance between Organisational rigour and genuine personal adventure."
